

PERSONAL DATA POLICY

Every person's privacy is of great importance. If you have shown interest in any of our properties, it is likely that we have collected information about you. We never collect more information than we need, and we never sell or share the information with third parties. Exceptions may apply to authorities if they request information under law or through official decisions. We may collect data when you express your interest in a property or when you contact us through our website, via email, phone, mail or in physical meetings.

Below is a summary of the different types of information about you that we may store.

- Name, email address, address, and phone number.
- Payment information such as organization number/social security identification number, reference person, billing address, billing information.
- Information about properties you own in Sweden, forestry management plan, and map materials.

When you visit www.northernforestprop.com, data about you is automatically saved in cookies and log files. This information is anonymized, and the purpose of the collection is to provide you with a faster and better experience. The information is also used to measure and analyze traffic. We store your personal data within the EU/EEA. Your data is saved for the time required to achieve the purpose for which the information was collected. We do our utmost to protect your personal data from accidental or unlawful distribution, destruction, loss or alteration. We use both technical and organizational measures. We utilize encrypted backup solutions. According to data protection law, you have the right to control your information. You also have the right to know how we process your data. You can contact us at any time to correct inaccurate information, complete information, or completely delete your data. In cases where your data is protected by contract or legislation, we do not have the authority to remove you from our records.

www.northernforestprop.com may change its data protection policy. If this happens, we will notify our customers via mailings and on our website www.northernforestprop.com.
